catering menu

welcome to wagamama

we're known for our benches but famous for our food. we've created the perfect minimalist eating environment, then filled it with the most free-spirited, expressive and adventurous japanese inspired, pan-asian noodle cooking you can find

we're not your conventional restaurant. we're unpretentious and informal. we celebrate those who adopt our open-mindedness in eating together. our food is cooked fresh to order and arrives as soon as it's ready and we don't expect you to wait for others before you start. we also like to slurp really loudly – in fact, it's expected!

if you're wondering what 'wagamama' means, it's japanese for 'naughty child'. it describes us perfectly. a willful determination to be the opposite of ordinary

allergies and intolerances

if you have a food allergy, intolerance or sensitivity please let your server know before you order your food. they will be able to suggest the best dishes for you

USCATER15-1

please note

our dishes are prepared in areas where allergenic ingredients are present so we cannot guarantee that our dishes are 100% free of these ingredients

whilst we take care to remove any small bones or shells from our dishes, there is a small chance that some may remain

our food

we are a japanese inspired, pan-asian noodle restaurant. we freestyle with traditional noodle thinking, using the freshest ingredients and the fullest of flavors. our iconic dishes set us apart, such as our yaki soba and donburies (big bowls of meat, veg and rice), side dishes like gyoza and edamame and of course our fresh juices! we have lots more on the menu to satisfy your entire party if noodles aren't their thing, try our curries or salads
